Parents Evening & WCM University Files

Thank you to all the families that came along to parents' evening yesterday, it was lovely seeing you sharing the learning your child has completed over the last year. This year, a lot of time and effort has gone into putting together the end of year report that we hope will be more meaningful than the reports we have previously sent out. We have called these reports our **WCM University Folders**. Most of you will have seen them in development at previous parents' evenings. We are already thinking of how we can make the WCM University Folders even better for next year but we would value your feedback and thoughts on what you like about them and any suggestions for improvements next year. The feedback slip went out with the reports yesterday.

We hope that the folder is something that you will want to keep and look back on in future years and we look forward to receiving your feedback.

Learning Across School

In **F1** we have been making the most of this lovely sunny weather by doing P.E. outside using the parachute. It was great fun and made a good shade from the sun!

In **F2** we have been building dens to make some shade from the sun this week. There are some fab pictures on our blog...take a look! We have also been practising writing sentences to make sure we are ready for Y1!

Last week **Y3NH** got the weighing scales out to measure the mass of different objects around our class. The trickiest part was working out the value of all the intervals but once we did that we were flying.

Y6 Maths & English Study Books

Now that the SATs are all over the Y6 team have asked if families can return the study books that were given out at the beginning of the year. These can then be redistributed in September to support the learning of the current Y5 children.

High School Musical

The finishing touches are being put to the Y6 play, High School Musical.

We are very lucky to be able to use the theatre space at Hillsborough College on Livesey Street again this year for our production. We will be having two performances at the college – these will be on **Thursday 12th July at 1pm (doors open 12:45pm)** and **at 7pm (doors open 6:30pm)**. The production is in two Acts, and there will be a short interval between them. Refreshments are available at the theatre. Tickets are now on general sale in the office and are priced at £3 each. We thank you for your support in advance, and very much look forward to this event.

Camping Residential

On Thursday we went to Chatsworth Gardens. First we went to the 'Scooby Tunnels', it was dark and scary! We went to a maze and tried to get to the middle. We kept going round in circles. After that we walked to Bakewell where we had fish and chips for tea. Once we got to the campsite we had a play altogether and then had to set our sleeping bags up ready for bed. On Friday we had a 'chocolate breakfast' and packed up. We walked back into Bakewell to spend our money, play in the park and eat our dinner. It was a great experience!

WCM Marathon

As we are nearing the end of the school year the ambition and determination to complete the WCM marathon has been astounding. Every lunchtime there have been at least 40 children on the track racking up their laps to complete it. We have had 41 children complete this year and one amazing Y2, Rayyan Ali, who has spectacularly completed 3 marathons and is already on his 4th. Well done to all of the children who are taking part in the marathon challenge - we are very proud of you!

If your child wants to have milk in September, orders need to be in to Sue Bibby by **Tuesday 24th July**. The cost of milk for the term will be £13.32.
