

The Thursday Green 'un

Volume 11 Issue 37 Thursday 18th July 2019

The End of the Year!

Here we are at the end of another school year that has seen so many memories, lots of learning and endless fun and laughter. It has been a pleasure to share in your children's learning journey this year. There are always ups and downs but also some incredible moments along the way!

It is with a tear in our eyes that we say goodbye to our wonderful Y6 children as they move on to comprehensive school in September. We wish them every success in the next part of their journey. We ask one thing of you Year 6 children...remember all we have ever said about Golden Rules and life skills and most of all remember the 'World Is Yours' and you can be who you want to be!

We would like to say an enormous well done to the cast and choir who joined together to make such a memorable performance of Aladdin. Under the skilful guidance of Miss Heap, the children performed their hearts out. It was a real team effort from the actors and the back stage team. Some of our children definitely need to make sure they join a drama group when they get to secondary school. It is so rewarding watching the children perform and we are all very proud of them. A big thank you to all the staff who played a part in making the performance possible, to Hillsborough College for hosting us and to all the families who came along to watch.

Year 6 Prom

This special event is tonight at SWFC. We can't wait to see our lovely Year 6 children dressed up and looking amazing! Lots of staff and Governors will be going along to celebrate the evening with them. We are all so excited at the prospect of seeing our

children look so fabulous - if a little sad at the prospect of moving on!

SATs Results

The Y6 children received their SATs results this week and they should feel so proud of the effort they have put in and the results they have achieved. SATs are important but what is more important to us at WCM are the young adults that we have been a part of growing along with our amazing families...well done everyone!

Leavers' Assembly is Tuesday at **9.15**. Y6 families are invited to stay and join in with the memories – bring some tissues!

Summer Carnival

We would like to say a big thank you to all the families who came along to our Summer Carnival on Wednesday. We had all the usual favourites and some new additions to the fun. As with most things we do it would not be possible without the support from staff, volunteers, donation from families and of course the organisation from Liz. Altogether we made an amazing profit of over **£1600**. This will be put into school fund. Thank you for your support.

School Fund

As you know we regularly have fundraising events in school (not all on such a big scale as the Carnival). Across the year we have used the money to subsidise visits and residentials as well as Playground refurbishments (grass etc), prizes for golden stamps/tickets, the fish tank outside Learning Mentors room and the Library refurbishment. It has also purchased

many books to supplement our 101 reads. So, we would like to say an enormous thank you to everyone for their contributions.

Silver Showroom

I know we say this every year but...the films we showed at the Showroom Cinema this week have been amazing. Watching the journey across school was great and shows just what amazing things happen at WCM. The looks of the children's faces, the happiness oozing out and the learning experiences is second to none! Thank you to our families who went along to support and share the experience.

Uniform

Don't forget to call into the office to order your uniform for September. Please remember that **all sweatshirts and cardigans MUST have the WCM logo** – the uniform at your school is compulsory! We do keep some in stock but it may be worth picking up an order form from the office just to check they have everything you need!

Indoor shoes must always be worn in school. This is to try and keep our carpets clean and dry across the year. Children will be expected to change into their indoor shoes every morning.

PE kits also need to be in school for your child's PE sessions. Individual class PE days will be sent home again in September. For indoor PE children will work in bare feet and will need shorts and a white T-shirt. For outdoor PE children can wear shorts or a track suit and must have trainers to wear. Children will not be allowed to do PE in anything other than trainers. We will have spare kit in school and children will have to use the spare kit if they do not bring it from home. The office will be phoning home if PE kit is not in school and this will also be recorded in your child's readiness for learning record.

Spare Uniform

If your child is leaving us this year or have had a bit of a growth spurt could we please ask that you donate your uniform to school so we can recycle it with our families. We would sell this at the start of the new academic year at a small cost and any money would be put into school funds.

Dinner Money

The cost of a school dinner will remain at £2.00 next year for all children from Y3-6. Children up to Y2 are entitled to a free dinner. If you think you may be able to apply for Free School Meals please call in and see us. This applies to families in Y2 and below as well as this will bring in additional funding to school.

Golden Time

Tomorrow is the last Golden Time of this academic year. Over the summer staff will be thinking about what Golden Time activity they would like to do in September and how to make the existing activities even shinier. If your child has any ideas for new Golden Time activities then please let us know.

Breakfast Club

If your child is currently in Reception please can we remind you that once your child is in Y1 they are able to stay for breakfast without parental supervision on any day. Children in Reception from September need to sign up for Breakfast club with Jodie Moxam. If you have any queries regarding breakfast club please speak to the office team who are happy to help.

Milk Orders

If your child wants to have milk in September, orders need to be in to Sue Bibby by **Tuesday 23rd July**. The cost of milk for the term will be £13.50, that is for September to Christmas.

Y6 Maths & English Study Books

Now that the SATs are all over the Y6 team have asked if families can return the study books that were given out at the beginning of the year. These can then be redistributed in September to support the learning of the current Y5 children.

Summer Holidays

We break up for the Summer Holidays at the end of the day on **Tuesday 23rd July**. School reopens to children on **Tuesday 3rd September**.

Happy Holidays to you all, let's hope the sun shines for us.
